

# Price Technology Group Value, Commitment, Excellence

Price Technology Group is a St. Louis-based privately owned office equipment and document solutions company which has been offering advanced technology that simplifies business life for over 30 years. With a variety of hardware, software and consulting services, including network-ready digital and color multi-functional copiers/ printers, document imaging software and print management systems, they are sure to have just what your office needs.

Price Technology Group provides a personalized approach, helping busi-

**“Price Technology Group provides a personalized approach, helping businesses reduce costs.”**

nesses reduce costs. This means providing customers with solutions that include print output management,

scanning software, indexing systems, and other programs.

Price Technology Group eases employee and owner stress by increasing a business’ efficiency. All of this is done through:

- Knowledgeable, reliable staff with many years of industry experience
- Quality equipment at competitive prices – no hidden fees – no fuel fees, delivery fees or insurance fees
- Unprecedented service, quick response times, technicians who get it right the first time
- Thoughtful solutions tailored to each individual customer’s unique needs
